

## Overview

This is my medium, square bottomed crochet basket pattern. This size is great for art and craft supplies (I use one as my current project box!) and a mate of mine uses hers for keeping her pet's toys in. If you're new to baskets, try the smaller one first to get the hang of it, then come back to this one.

## Finished Size

Base - 14cm x 14cm

Height - 19cm from base to top edge (edge not rolled down)

## Fit Information

N/A

## Notes

If you haven't worked with t-shirt yarn before, just be warned, it's kind of tough going. Your wrists will be a bit sore and you have to wrangle your work a bit more than usual. Don't be discouraged though - these baskets are quick to make and very relaxing once you get past the base bit. Give it a go!
